Because of the nature of the Kairos program, you are asked to make the following commitments:

1. After becoming familiar with the program, I agree to support in good faith the activities done on the weekend, as well as the theological and scriptural content of the talks as outlined in the Kairos Manual.
2. I will abide by all state and institutional rules and procedures required as a condition of our entry into the institution.
3. I will abide by the rules of confidentiality as set forth in the Kairos Manual.
4. **I understand the importance of keeping promises to those residents who will attend the weekend. For one year, I obligate myself to attend monthly reunions with the residents who are the Kairos community in the institution. I will make every effort to attend this most crucial follow-up.**
5. I understand that I must have a current Kairos Manual in my possession and be familiar with my responsibilities as presented therein. (Kairos Manual not to be taken into institution.) I also understand the need to be obedient to the Leader of the weekend. I will make every effort to attend all team meetings, to form community with other team members, and be prepared for this unique ministry in this unusual environment.
6. I understand that this application will be checked by the Georgia Department of Corrections for outstanding warrants in Georgia and the U.S. If an ex-offender, permission may be denied by the State of Georgia.
